## Down Payment Assistance Program Handbook

Thank you for your interest in the Down Payment Assistance Program. Louisville Metro Government Office of Housing & Community Development offers this exciting opportunity for a **partially forgivable** second mortgage to encourage homeownership throughout the Metro area. **This program is available to any credit eligible household earning 80% of the median area income or below.**

**This handbook is your guide to the Down Payment Assistance Program.** Please read this information thoroughly, as it provides guidance on the application process, will help you determine eligibility, and answers common questions.

**Applications are processed in the order they are received.** Only completed applications will be processed.

**Application processing generally takes 30 business days from receipt of a completed application.** Metro does not have a waiting list and does not reserve funds, as the program operates on a first-come, first-served basis. Staff is not able to “fast-track” applications and may not be available to meet without an appointment. **This program is intended for Homebuyers who are not under contract during the eligibility phase: anyone coming to the program with a home under contract or signing a contract on a home before eligibility is issued will be required to submit proof of a sixty-day extension on all contracts and rate locks before we will issue an eligibility letter.** Final funding is not guaranteed, is based on individual need, and is subject to Case Review Board approval.

**Lenders, Realtors, and Partners** are vital to achieving the goals of the Down Payment Assistance Program. Your partnership is valuable, and we appreciate your agency’s dedication to assisting low-to-moderate income residents achieve homeownership. Please assist your clients in gathering required information and guide them through the application process.

**Thank you!**

# Down Payment Assistance Program Process

## Steps of the Down Payment Assistance Process

- Step 1 **Before Applying:** Homebuyer must complete Homeownership Counseling (see below) and obtain bank pre-approval. If applying with a co-applicant, both applicants must complete counseling and be approved by the bank. (Married couples must be co-applicants.) **Client must be in good standing with banking institution and have at least a combined total of \$2,000 across all bank accounts.**
- Step 2 **Submit Application:** Homebuyer submits complete application, including all attachments. Processing an application can take up to 30 business days. Metro will perform a credit check on income eligible applicants and will contact an applicant’s employer and banking institution to verify income and assets. Note: House composition cannot change within the last 90 days. If the application is incomplete, Metro will issue a letter to the homebuyer detailing what is missing. An application will not be fully processed until it is complete with all necessary documentation.
- Step 3 **Letter of Eligibility:** Income and credit eligible homebuyer will receive a Letter of Eligibility, stating that they qualify to participate in the program. Eligibility does not guarantee that a homebuyer will receive funding.
- Step 4 **Make an Offer:** Homebuyer partners with a Realtor to find a home and execute a sales contract.
- Step 5 **Submit Homebuyer Packet:** Realtor and lender will send Metro updated paperwork, including the signed Sales Contract and Loan Application. Realtors should extend the sales contract to accommodate 30 business days of processing before the closing.
- Step 6 **Metro Determines Assistance:** Metro will determine the amount of assistance necessary based on the specific property purchase price and loan details. Assistance request is presented to Case Review Board, which shall vote to approve or deny assistance based upon underwriting and objectives.
- Step 7 **Letter of Conditional Commitment:** If Case Review Board approves assistance, the homebuyer will receive a Letter of Conditional Commitment, detailing the amount approved.
- Step 8 **Inspections:** A Home Inspection and Environmental Review are performed by Louisville Metro. A property must receive a PASS for both. **While Metro will perform an inspection, a separate, private home inspection is REQUIRED.**
- Step 9 **Final Documents:** Homebuyer works with the lender and realtor to get all final documents (including Title, Appraisal, and Homeowners Insurance) to Metro for final approval.
- Step 10 **Closing:** A closing is scheduled and Metro awards funding to another happy homebuyer!

## OFFICE OF HOUSING & COMMUNITY DEVELOPMENT

### Homeownership Counseling

Potential homebuyers must complete housing counseling **prior** to applying for assistance. All applicant(s) must attend a minimum of 6 hours of homeownership counseling classes from a HUD-certified counseling agency:

- [www.apprisen.com](http://www.apprisen.com) (Online Course)
- [www.ehomeamerica.org](http://www.ehomeamerica.org) (Online Course)
- Louisville Urban League - (502) 585-4622
- <http://www.wearehpi.org>
- <https://apps.hud.gov/offices/hsg/sfh/hcc/hcs.cfm>

## How to Qualify: Eligible Households

---

The Down Payment Assistance Program is available to any qualified homebuyer that is looking to purchase an existing or newly constructed home in the Louisville Metro area. You **do not** have to be a first-time buyer to qualify. However, all homebuyers must be credit and income qualified.

### Who is Eligible?

- Income** - Homebuyer's household gross income must be **80%** or below of the area median income, adjusted for family size, as determined by HUD.  
*For current Annual Income Limits, please see Appendix A.*
- Credit** - Credit report must show no unpaid collections, no unpaid charge-offs, and no un-discharged bankruptcies. If the homebuyer has filed bankruptcy, the bankruptcy must be discharged at least one year prior to applying for down payment assistance.  
Metro will allow homebuyer(s) to have up to \$10,000 in medical collections and still qualify for the program.
- Buyer Contribution** - The homebuyer must make a minimum contribution of \$500, plus a \$76 (or current rate of) recording fee. Metro encourages the homebuyer to personally provide at least 2% in down payment.
- Principal Place of Residence** - Homebuyer must occupy the home purchased as their principal, primary residence for term of the affordability period. Affordability periods are 5 – 15 years, depending upon the amount of homebuyer assistance.  
Homebuyers purchasing a **rental/ investment property** are **NOT eligible** for the program.
- Marital Status** - Eligible households include all persons single or married. **If married, both parties must apply as co-applicants, both complete homeownership counseling, and both be determined credit eligible to participate in the program.**  
Separated couples are considered married, and both people in the partnership must apply and go through the program together.
- Lender Pre-Approval** - Homebuyer must be able to obtain pre-approval and first mortgage through a local lender. If lender is not local, they must be FHA approved.  
Homebuyers who **need a co-signer** to obtain a first mortgage are **NOT eligible** for the program.
- Home Ownership** - Prospective clients may have owned a home previously, but not within the twelve-month period immediately before the application submission date.

## Finding a Home: Eligible Properties

---

The Down Payment Assistance program supports investments in several types of home purchases. Below are features of eligible properties, as well as features that would make a property ineligible.

- Home Type** – Single family units, condominiums, and co-op units are all acceptable home types. Modular homes are eligible if attached to a permanent foundation and they meet all local building and zoning codes.
- Construction Status** – Existing homes, homes to-be constructed, and rehabilitation project homes are all eligible for down payment assistance. *For more information on rehabilitating 203k and VA Renovation Loans, please see Appendix E.*
- Home Value & Purchase Price** – Homes eligible for down payment assistance must meet the HUD Home Ownership Value limits. Homes cannot appraise below the contract price. **Down payment assistance will be denied if property does not appraise at or above contract price.** *For a list of the current Home Ownership Value Limits, please see Appendix B.*
- Property Standards & Inspections** – All homes must meet property standards set by the Louisville/Jefferson County Metro Government Code of Ordinances and must pass an inspection conducted by a Louisville Metro Housing Inspector or Louisville Metro Housing Authority. This will be an inspection of lead hazards and all federal code ordinances. Homes that do not pass initial inspection will be notified of the failing components and scheduled for reinspection. **Down payment assistance will be denied if the necessary repairs are not made.**

The DPA program requires that homebuyers also purchase a private inspection, as the inspection performed by Louisville Metro will inspect for basic code violations, and not for overall elements of construction.

Renovation loan projects require a joint inspection. *For more information on 203k and VA Renovation Loans, please see Appendix E.*

*For more information on the Inspection Process, including the most commonly failing requirements from the Code of Ordinances, please see Appendix D.*

- Environmental** – An Environmental Review will be performed on all homes submitted to the program to determine their environmental safety and mitigate any potential environmental hazards. **Down payment assistance will be denied if the home is in a flood plain.**

## OFFICE OF HOUSING & COMMUNITY DEVELOPMENT

### Documents to Submit After Finding a Home

---

Once a potential Homebuyer has found an eligible home to purchase, they may put in an offer. Once the offer is accepted, the Lender and Realtor should submit the following documents to the Down Payment Assistance Program to determine assistance amount and move toward closing:

- **Metro Homebuyer Packet** – The Metro Homebuyer packet consists of several documents to provide basic details about the home purchase, including home information, Notice of Voluntary Sale and Lead Paint Inspection.
- **Sales Contract** – An executed sales contract must be submitted showing property address and purchase price.
- **1003 Loan Application** – A 1003 must be submitted to determine the assistance amount needed.

## Determining Assistance: Metro Underwriting Policies

---

Upon submitting a completed Metro Homebuyer Packet, potential homebuyers will be individually underwritten by Metro to determine the amount of Down Payment Assistance they may be eligible to receive. This is based on their debt capacity and individual need.

### Underwriting Policies

- Loan-to-Value – The maximum amount of Down Payment Assistance per homebuyer will be based on individual need but will be no more than 20% of the purchase price. For any clients whose front-end ratio is below 20%, assistance will be no more than 15% of the purchase price.
- Ratios – The homebuyer's front-end ratio should be between 20% and 30%, and back-end ratio may not exceed 43% excluding student loan debt, or 50% including student loan debt. We will go up to a front-end ratio of 32% on any client that has \$0 in debt, \$4000 or more available in their bank accounts, and one year in their current job.
- Student Loan Debt – To calculate monthly student loan debt, the DPA Coordinator will use: 0.5% of the outstanding loan balance, when the monthly payment reported on the Borrower's credit report is zero, or the monthly payment reported on the homebuyer's credit report, or the actual documented payment amount.
- Liquid Assets – If a Homebuyer has liquid assets of \$15,000.00 or more, they must contribute the difference between the balance of their liquid assets and the total amount allowed by the program (\$15,000) towards the purchase of home.
- Combined Loan-to-Value – Lending institutions should lend to their maximum capacity, and not below 80% of the purchase price. The sum of all financing may not exceed the total cost to acquire the home. **Under no circumstances may a Homebuyer receive cash back at closing.**
- Section 8 – Homebuyers who are participating in the Section 8 Homeownership program are eligible to participate in the Homebuyer Assistance Program. *For more on Section 8 policies, see Appendix C.*
- Buyer Contribution – A homebuyer is required to contribute a minimum of \$500 toward their home purchase. This \$500 can come from payment for a private home inspection, appraisal, or contribution to the down payment and closing costs.

### Case Review Board

After underwriting, the amount of recommended assistance will be presented to the Case Review Board, which convenes once per week. The Review Board will vote to approve or deny assistance based on the goals of the Down Payment Assistance Program. There is no guarantee the applicant will receive assistance. If the Board recommends to approve funding, the homebuyer will receive a letter of Conditional Commitment detailing their approved assistance.

Appeal Process – If a homebuyer feels their application has been unreasonably denied, they may submit a request for an appeal form to the Down Payment Assistance Coordinator. The appeal decision will be made by the supervisor of

**OFFICE OF HOUSING &  
COMMUNITY DEVELOPMENT**

# Determining Assistance: Metro Underwriting Policies

---

the Down Payment Assistance Program and the Office of Housing Director.

## OFFICE OF HOUSING & COMMUNITY DEVELOPMENT

# Loan Terms & Guidelines

Assistance is provided in the form of a **partially forgivable second Mortgage and Note** which will be recorded together in the Office of the Jefferson County Clerk. Once the first mortgage Note (fixed rate) has been prepared, a copy of the Note must be submitted to the Down Payment Assistance Program for review.

**The approved amount of assistance may be used for down payment, closing costs and prepaids.**

**Insurance and taxes** must be escrowed into first mortgage. Any HOA fees will be broken down monthly and included in the maximum PITI allowed. Louisville Metro Government – Develop Louisville should be listed as second loss payee on homeowners' insurance policy. The full legal name of the homebuyer(s) should be listed on the insurance declaration page.

Lending institutions must follow responsible lending practices including the guidelines set out by the Consumer Financial Protection Bureau's (CFPB) Ability-To-Pay Principals. No adjustable rate or pre-payment penalty mortgages will be accepted.

### **Periods of Affordability**

The home purchased must be occupied as the principal, primary residence of the homebuyer(s) for the duration of the period of affordability (POA). The POA is determined by the amount of DPA assistance received:

- **Loans of \$14,999 and below: 5-year POA**  
Fifty percent (50 %) of the Note amount shall be forgiven at the end of the fifth (5<sup>th</sup>) year. The remaining principal is due at sale and will not accrue interest.
- **Loans of \$15,000 - \$40,000: 10-yr POA**  
After the expiration of five (5) years from the date of the Note, ten percent (10 %) of the Note amount shall be forgiven for each full year from the sixth (6<sup>th</sup>) through the tenth (10<sup>th</sup>) year, with fifty percent (50%) being forgiven after ten (10) years from the date of the Note. The remaining principal is due at sale and will not accrue interest.
- **Loans more than \$40,000: 15-yr POA**  
After the expiration of five (5) years from the date of the Note, five percent (5 %) of the Note amount shall be forgiven for each full year from the sixth (6<sup>th</sup>) through the fifteen (15<sup>th</sup>) year, with fifty percent (50%) being forgiven after fifteen (15) years from the date of the Note. The remaining principal is due at sale and will not accrue interest.

## OFFICE OF HOUSING & COMMUNITY DEVELOPMENT

# How to Close: Required Documents

---

Once the Case Review Board has approved the recommended funding, a Letter of Conditional Commitment will be sent to the Homebuyer, at which point, an inspection will be scheduled and the following documents will be needed to process the loan:

- **Appraisal** – An appraisal of the property must be performed and must include an estimate of the fair market value and as-is value of the property.
- **Title Commitment** – A title report must be obtained to show proof that the seller(s) have legal or equitable title to the property. It also identifies all mortgages, liens, judgments, and conveyances that affect the current property and furnishes the legal description needed to prepare the Mortgage.
- **Homeowners Insurance Declaration** – A copy of Homeowners Insurance Declaration Page listing “Louisville/Jefferson County Metro Government” as additional loss payee must be obtained.
- **Closing Disclosure** – The final closing disclosure (formerly HUD-1) should be received by our office **at least three business days prior to the closing**. If the Closing Disclosure is not received 3 business days before the closing, the closing will be delayed.

The final closing disclosure should show a buyer contribution of at least \$500 and should show the same purchase price as listed in the 1003 Loan Application.

- **Private Inspection** – Proof of private inspection by a home inspector licensed by the Commonwealth of Kentucky.
- **Legal Aid Clinic** – All DPA clients will be asked to participate in a Legal Aid Society wills clinic in order to have a will drafted, if one is not in place. This clinic and will are free of charge.
- **Recorded Note** – After the closing, a copy of the signed Note must be submitted to the Down Payment Assistance Program

**Lending institution(s) may be prohibited from participating in the Down Payment Assistance Program if the terms of the Mortgage, Note or Closing Disclosure have been altered after final approval from the Down Payment Assistance Program.**

## **Scheduling a Closing**

A Down Payment Assistance closing will be scheduled between the homebuyer and the Down Payment Assistance Coordinator to take place at Metro’s offices (444 S 5<sup>th</sup> Street, 5<sup>th</sup> Floor). This closing will occur immediately preceding the lender’s closing.

At this closing, the homebuyer will sign an affidavit, a Homebuyer Agreement, a Mortgage and a Note, and will receive their DPA funds.

\$315,000*	\$383,000	\$464,000	\$574,000

## Appendix C

### Section 8 Homeownership Program Clients

---

Homebuyers who are participating in the Section 8 Homeownership program are eligible to participate in the Homebuyer Assistance Program. Metro’s Office of Housing will work with the Louisville Metro Housing Authority (LMHA) to supplement the assistance provided by LMHA.

The following policy adjustments apply to Section 8 clients:

- ✓ **Eligible Clients** – Eligible Section 8 Homebuyers must be clients in the Section 8 Homeownership Program. Potential clients that are receiving Section 8 rental assistance but have *not* enrolled in the Homeownership Program are therefore not considered “Section 8” clients in the DPA process, but rather non-Section 8 clients.
- ✓ **Underwriting** – The same underwriting model will be used as with non-Section 8 clients, with the only exception being that the monthly LMHA subsidy (which will include LMHA’s utility allowance) will be subtracted from a client’s PITI. This final front-end number will be used to determine ratios.
- ✓ **Loan-to-Value** – In cases where a Section 8 client’s front-end ratio is below 20% Louisville Metro will provide assistance up to 15% of the purchase price. In cases where a Section 8 client’s front-end ratio is between 20% and 30%, Louisville Metro will provide assistance up to 20% of purchase price.
- ✓ **Ratios** – Like non-Section 8 clients, Section 8 clients may not go above a 30% on their front-end ratio, even though LMHA may allow up to 40%. Section 8 clients are not subject to a ratio floor.
- ✓ **Voucher Worksheet** – As a part of a completed application, clients should submit a copy of their LMHA Housing Choice Voucher Homeownership Worksheet.
- ✓ **Inspection Process** – The Louisville Metro Housing Authority will conduct an inspection of the home, and the home must pass inspection before a closing can be scheduled. All homes must meet the property standards set by the Louisville/Jefferson County Metro Government Code of Ordinances. Homes that do not pass initial inspection will be notified of the failing components and scheduled for reinspection. **Down payment assistance will be denied if the necessary repairs are not made.**

Please contact LMHA for questions about their inspection process.

**Contact** – For more information about the Louisville Metro Housing Authority - Section 8 Homeownership Program, please contact:

Michele Johnson

502-569-6960 – for orientation dates

502-569-3776 – Michele Johnson

[mjohnson@LMHA1.org](mailto:mjohnson@LMHA1.org)

[lmha1.org/special\\_programs/section\\_8\\_homeownership\\_program.php](http://lmha1.org/special_programs/section_8_homeownership_program.php)

## Appendix D Inspection Process

All homes must meet the property standards set by the Louisville/Jefferson County Metro Government Code of Ordinances. A Metro Housing Inspector will have seven business days after Board Approval to schedule the inspection. A Seller's or Buyer's agent must be present for all Down Payment Assistance inspections. Louisville Metro Housing Authority (LMHA) will conduct the inspection for clients receiving Section 8. (*See Appendix C.*)

The following are code violations that commonly fail during the initial inspection. (This is not a full list of the Code of Ordinances, but rather the most frequently failing elements.)

### HVAC & Electrical

- Electrical, HVAC, furnace or water heater must have a sticker.
  - If the unit is less than 5 years old, a permit must be obtained by a licensed contractor, inspected and stickered.
  - If the unit is more than 5 years old, a letter from a certified HVAC contractor of cleaning and tuning can be accepted.
- No exposed electrical wires, missing switch plates, or missing electrical cover plates
- All electrical outlets must work, must be grounded or protected, and wired correctly.
- GFCI outlets are **required** within six (6) feet of all water sources.

### Doorways and Windows

- Entry doors must have a thumb-turn dead bolt lock. (To change out the lock, remove current lock and install blanks at the opening, then affix the key in the lock.)
- All doors and windows must open and close, and all windows must open and stay up unassisted
- Double keyed locks on doors are not permitted, including storm doors
- No missing glass panes
- Any building components must function as intended (i.e., drawers must open and close, doors must open and close, etc.).
- Cosmetic issues will be addressed, this will include the exterior of the property, as well as any exterior structures.

### Water

- No missing splash blocks
- Properly installed gutters
- There may be no signs of water leaks, and water may not be detected under bathroom or kitchen sinks or in basement

### Amenities and Safety

- Refrigerator and stove must work properly
- No missing or loose handrails
- No missing or damaged hardware
- Smoke detectors must be present on each floor

## OFFICE OF HOUSING & COMMUNITY DEVELOPMENT

**The entire structure will be inspected and will not be limited to the above components. The property should be empty and as close to move in ready as possible to conduct a proper DPA Inspection.**

### **Permitting Contacts**

- HVAC & Electrical Permit Office (for missing inspection stickers): 502-574-3321.
- Water Heaters and Plumbing Permit Division: 502-429-4441

## Appendix E 203k and VA Renovation Loans

203k loans, sometimes called construction, rehabilitation or renovation loans allow the homebuyer to receive financing to purchase a home and make needed repairs. There are two types of 203k loans; streamlined and standard. DPA will only allow the **streamlined** 203k and VA (Veteran Administration) renovation/rehabilitation loans. Maximum construction cost for both loan types is \$35,000.

### **Contractor Selection:**

Contractor(s) hired to complete repair work for DPA clients utilizing a 203k or VA renovation loan must be in good standing with Louisville Metro Government Department of Codes and Regulations, Division of Construction Review, and Revenue Commission. Please check each contractor(s) status before entering into a contract.

- Construction Review: 502-574-3321
- Revenue Commission: 502-574-4860

### **Joint Inspection**

Once the contractor is determined to be in good standing, a joint inspection of the property must be conducted in order to create an estimate of repairs/scope of work. A joint inspection includes the DPA Rehabilitation Inspector and the hired contractor(s). The homebuyer, buyer agent and seller agent can also attend. This inspection will ensure the contractor’s scope of work and estimate of repairs includes required repairs by the DPA program and will determine if the homebuyer will be eligible to receive DPA funding for that particular property.

### **Application of DPA Funds:**

Clients utilizing 203k and VA loans are subject to policy ratio requirements. If approved, DPA funding will be applied in one of the following ways:

Client Type	Neighborhood	Loan Type	Total Costs**	RHIP^ Funding
Section 8	Russell	203K & VA Reno	15% *	Up to \$35,000
Non- Section 8	Russell	203K & VA Reno	20%	Up to \$35,000
Section 8	Non-Russell	203K & VA Reno	15%	N/A
Non- Section 8	Non-Russell	203K & VA Reno	20%	N/A

\* If a Section 8 client has a front-end ratio of 20% or above, they are eligible for 20% of the purchase price from DPA. If they have a front-end ratio of 19% or below, they are only eligible to receive 15% of the purchase price from DPA.

\*\*Refers to Section VII, Line I of the Standard 1003 Bank Application

^Construction costs paid by the Russell Homeownership Incentive Program.

### **Final Inspection Process:**

Final pass inspection of property by the Office of Housing or Louisville Metro Housing Authority before closing.

# OFFICE OF HOUSING & COMMUNITY DEVELOPMENT

**All repairs must be complete and receive a final pass inspection within 6 months of the completion date or in accordance with mortgage terms, whichever is shorter.**

## Appendix F Application Checklist

---

To process your application, please provide the Office of Housing with the following application forms as well as a complete set of additional documentation. **You must provide a completed application to be considered by the program. Incomplete applications will not be processed.**

### **Application Forms**

- Application Information Page
- HUD Direct Benefit Form
- Income Verification Contact
- Request for Release Form
- Form W-9 – Request for Taxpayer Information
- Declaration of Section 214 Status for all household members
- Affidavit of Income, notarized
- Down Payment assistance Handbook Acknowledgment

### **Additional Documentation**

- Homeownership Counseling Certificate
- Pre-Approval Letter from Lender
- Driver's license or photo I.D. for applicant (and co-applicant, if applicable)
- Social Security Cards for all household members
- Two (2) months current consecutive paycheck stubs showing year-to-date income from all jobs
- Six (6) months current consecutive bank statements from interest-bearing accounts (checking, savings, dividends, income from property, etc.)
- Any additional Income/Benefits (Child Support, TANF, SSI, SSD, Pension, Retirement, etc.)
- Housing Choice Voucher Homeowner Worksheet – Section 8 (if applicable)
- Divorce Decree (if applicable)

### **Third Party Verification**

**NOTE:** The Office of Housing and Community Development will contact your employer to obtain a Verification of Employment, and your bank to obtain statements to obtain a Verification of Assets. If necessary, we may ask for W2 forms from the previous year to clarify income calculations.
