

Energy Utility Release

I _____ hereby authorize the release of energy utility bills as requested by the Community Development Department for my address at:

Address

City, State and Zip Code

My signature below authorizes the PTRC Community Development and its designees to inspect heating, fuel usage and utility billing records for up to five years before and after completion of weatherization and/or rehabilitation work and authorize pertinent utility and fuel companies to make such records available to them solely for obtaining data for evaluation of subsequent energy conservation effectiveness. I understand my personal information obtained through this release shall not be made public in that the dwelling or occupants may be identified. I understand that PTRC CD Weatherization Assistance Program is no responsible for the status of my account.
